● Manager Ian Greaves shows striker Frank Worthington around Burnden.

Welcome to tonight's visitors, Peterborough United as we see League Cup football at Burnden once again.

On Saturday we earned a point the hard way at Southampton, and I must pay credit to our players for the way they never gave up the fight in spite of the side not playing as well as in recent games.

Last week, I strengthened our squad with the signing of Frank Worthington, who had been on loan from Leicester City.

Centre half Paul Jones was substitute for the game at The Dell and it says a lot for the strength of our first

team set-up that a player of his ability was unable to get into the side.

When right back John Ritson is fit again after his cartilage operation, there will be another player knocking on the first team door.

We paid out the biggest fee in the history of the club in signing Worthington, but we have not spent up.

It is still possible to strengthen the squad further if necessary. And since I came to Bolton there has been a fair amount of what I call wheeling and dealing with Willie Morgan joining us on a free transfer and Jim McDonagh, Terry Poole and Ray Train also signing without any of them costing a big fee.

The future of the club looks very bright and I have the confidence that if we can get into the First Division this season, we wouldn't struggle.

Tonight, of course, we are hoping to take another step along the Cup trail after beating Lincoln City in the previous round.

Ian Greaves

Today's Visitors

Peterborough United come to Burnden Park tonight seeking to add another famous Cup victory to the long list they have achieved in the past.

Many of their greatest successes were set up in the F.A. Cup, initially when they were a non-League club, but they can also look back on many great deeds in the League Cup.

Two seasons ago they knocked out Blackpool and Fulham en route to round four and, in their best achievement in 1965-66, they reached the semi-final.

The Posh are steeped in Cup tradition, of course. And a few weeks ago they added to their staff a player who has a fair amount of Cup experience to his name — Alan Slough played for Fulham in the 1975 F.A. Cup final.

Fulham were forced to sell Slough this summer because of their precarious financial position and Peterborough stepped in smartly to sign him for £20,000. Slough is a tremendously versatile player who has played in almost every position — including goal — in League soccer.

Today he is normally to be found directing things from the middle of the field where his likely partners are Bob Doyle and Jack Carmichael.

Another recent newcomer to the Peterborough side is striker Barry Butlin who arrived from Nottingham Forest for £20,000. He had already scored four goals before the weekend. Butlin previously played for Derby, Notts County, Luton and Brighton.

The veteran Tommy Robson has also been scoring quite consistently this season, having netted five times in recent matches. Tommy has been playing League football since 1962 when he was with Northampton. He took part in their rise to the First Division and then served Chelsea and Newcastle before signing for Peterborough in 1968.

Gary Sargent has been holding the centre-forward spot this season after having left the League scene to spend the past four seasons with Southern League Bedford. Before that he was

with Norwich and Scunthorpe.

John Cozens is also pressing for a place in attack while Nicky Evans, signed from Q.P.R. during the close-season, could get in as a forward or midfield player.

There is plenty of experience in the Posh defence where former Liverpool and Villa man Ian Ross holds things together in the middle with Chris Turner. Peter Hindley, who spent over ten years in Nottingham Forest's team and then served Coventry for a couple of seasons, is the right-back with Jeff Lee on the other flank.

Keith Oakes, formerly a defender, has made one or two appearances in midfield this season.

The well-travelled Jim Barron has now taken over in goal from young Keith Waugh. Barron, signed from Connecticut Bicentennians this summer, played in the League for Wolves, Chelsea, Oxford, Nottingham Forest and Swindon before going across to the States.

Peterborough, who are hovering around the promotion group in the Third Division, had a fairly easy passage through the previous two rounds of the League Cup. They defeated Bradford City 5-2 on aggregate in the first round but then made rather a lot of their home tie with Fourth Division Scunthorpe who held them to a draw.

But Posh won the re-play 1-0 thanks to a goal from Alan Slough, his first for the club.

Peterborough began their Cup fighting reputation as a non-League side when they knocked out a string of League clubs, including Torquay, Aldershot, Ipswich (twice!), Bradford P.A., Lincoln, Shrewsbury and Walsall.

Election to the League did not blunt their Cup axe for, since 1960, they have beaten First Division sides Newcastle, Arsenal and West Bromwich. In 1965 they reached the sixth round of the F.A. Cup — their best performance on record.

They won the Fourth Division championship in 1974 and now their aim is to reach the Second Division for the first time.
